

**WINCHESTER ELEMENTARY SCHOOL**  
**Supply Lists 2014-2015**

**All supplies need by the FIRST Day of school—Marked with the Student's Name**

(Please feel free to bring all school supplies the night of Kindergarten orientation.)

**Kindergarten:**

- ❖ (12) Elmer's glue sticks
- ❖ (1) Bottle of Elmer's white glue
- ❖ (1) "Fiskar's for Kids" (Metal only, No plastic safety)
- ❖ (12) #2 Pencils (Ticonderoga are preferred)
- ❖ (1) Large eraser
- ❖ (2) Black Expo Markers—Fine point with eraser
- ❖ (5) 24 Count **NO** larger--Boxes of Crayons (Crayola is preferred for it has the true color name on the crayons. Other brands have color names like "kiwi" instead of green or "tidal wave" instead of blue.)
- ❖ (1) Set of Washable Markers
- ❖ (2) Sets of 8 Water Colors (Prang or Crayola preferred—other brands have very little paint in them and do not paint well for the students.)
- ❖ (4) Folders to keep at school—any color
- ❖ (1) Large box of Kleenex
- ❖ (1) Can of Play dough
- ❖ (1) Tub of Clorox wipes
- ❖ (1) Tub of Baby wipes
- ❖ (1) Regular size pencil box
- ❖ (1) Book bag or tote bag (No backpacks on wheels)
- ❖ (1) Pair of Gym shoes with Velcro closure (for PE)
- ❖ (1) Box of Ziploc bags (Quart or Gallon—your choice)
- ❖ (1) set of Headphones (No ear buds—the students have too much trouble with them. Something to keep in mind is that if you purchase a pretty good set, they will be able to use them for many years. Students will need headphones for now on in the computer lab.)

\*\*We realize this seems like a lot of supplies. The students usually use all of these and more. By buying them before school starts allows you to get the great sale prices---for replenishing throughout the school year becomes very costly. If there are any supplies left over at the end of the school year, we will send them home.

It is a good idea to buy extra to keep on hand at home. Your child will be responsible for telling you that he/she is out of something. However, they seldom give you much warning. So it is best to buy it ahead of time. Also, there are times when they will need crayons at home to do math homework. It is good to have extra packs of the 8 basic color crayons. They seem to use red and black a lot and run out of that quickly. We look forward to a good year with you and your child. *The Second Grade Teachers*
