

2nd Annual Winchester FFA Shoe Drive

The Winchester FFA is hosting its second annual Shoe Drive. Since it was a great success last year resulting in over 300 pairs of shoes, we are aiming for 400 this year.

How Can You Help?

Since it is difficult to collect shoes from all of the locations in Winchester, we ask that shoes be dropped off at the ag room on the west side of the school. If this is an inconvenience, shoes can be arranged for pickup. Call the high school at 217-742-3151 extension 210 if a pickup is needed or there are further questions.

Where Do the Shoes Go?

Our Shoe Drive is contributes to the Shoeman Water Project. Donated shoes are taken to places like Haiti, Kenya, and South America. The shoes are sold and provide for jobs and affordable shoes for people in those areas. The funds from selling the shoes are used for well drilling rigs, water purification systems, and training systems to bring clean water to those in need. This helps to reduce landfill waste and put shoes on bare feet. Helping these impoverished places creates better health, hygiene, and farming throughout the world. As FFA members, it is our job to serve to help others.

The Shoe Drive starts Monday, November 3rd and concludes Friday, December 5th.

Thank you for supporting the Winchester FFA Chapter with helping those in need!
