****Student profile sheets that are enclosed need to be reviewed and signed before returning them at the time of registration. This assures us that what information we have on file is correct. Also, the required additional forms for registration can be found on the website (www.winchesterschools.net) to be printed off in advance or will be available at the time of registration.****

****New to the packet this year are the Student Residency Verification forms. One of these forms, depending on your circumstance, will need to be completed out and presented at time of registration. Failure to provide verification will result in not being able to register your child(ren) at that time.****

Parents and students are reminded that physicals, immunizations for kindergarten, sixth, and ninth grades are required to be completed and records **must be turned into the school office before the first day of school**. Dental examinations are needed for kindergarten, second, and sixth grades. Vision screenings are also required at the kindergarten level. Immunization records and a *certified copy* of the birth certificate are required for enrollment of any students that have moved into our district.
