Illinois State Law requires that all students are all enrolled in PE every semester, unless they meet an exemption.

*Students must also pass the Constitution, both United States and Illinois exams.

Juniors are required to take the required state exams.

** Only students who have completed all graduation requirements as set forth by the Board of Education may participate in commencement exercises. The only exception is for those who are short one credit or less; they may participate if they agree to complete their deficiencies by the end of the first semester of the following school year. (Board Policy 306)

STUDENT CLASSIFICATION

Students will be classified in chronological order year after year. Year one will be freshman, year 2 will be sophomore, year 3 will be juniors, and year 4 will be seniors. Student will remain a senior until credit requirement has been met. A student will not be of senior standing until they complete required state exams.

SUMMER SCHOOL & CORRESPONDENCE COURSES

For any student interested, summer school or correspondence courses are allowed to transfer a total of two (2) classes to satisfy graduation requirements (these may be in any subject area) during their high school career. Illinois Virtual School will be the recommended credit recovery program. Consultation with the school counselor will occur.

Class standing will be based upon student GPA. Students earning a 4.0 or higher will be considered *summa cum laude*, 3.51 or higher will be *magna cum laude*, while a 3.0 or higher will be considered *cum laude*. These students will be recognized during graduation with appropriate colors.

Numerical grades are rounded to the nearest whole percent.

HONOR ROLL AND MERIT ROLL

To achieve Merit Roll, a student must reach 3.0 on a 4.0 scale with only one letter grade of C allowed. To achieve Honor Roll, a student must reach 3.56 on a 4.0 scale with no letter grade below a B. Grade point average for honor roll will be figured on the exact same basis for each grade as it is figured toward graduation. *Any "D" or "F" will result in an automatic exclusion from the Honor Roll, regardless of the grade point average.*

REPORT CARD AND PROGRESS REPORTS

Progress reports are no longer mailed home, they will be sent home with the student. Parents will be notified by a school messenger. Report cards are distributed at the end of each semester by giving them to the students to take home.

Parents of any senior that is in danger of not meeting graduation requirements will be notified by phone calls, letters or parent conferences.

Any senior that owes money to the school or has not returned all school property (books, uniforms, etc.) prior to graduation may not receive diploma.

INCOMPLETE GRADE

Any student with a grade of incomplete for the semester or semester exam will have two weeks from the end of the grading period to complete their work unless the principal grants an extension of time. Any work not completed may become a zero and the final grade will then be determined.

EARLY GRADUATION

Students that have satisfied ALL graduation requirements may petition the School Board for early graduation. Students that are approved for early graduation will be considered graduates and will forfeit their rights as Winchester High School students; the exception being Senior Awards Breakfast and Graduation.

POLICY FOR TAKING HIGHER EDUCATION COURSES

Students requesting release consent in order to take college classes must have demonstrated academic and/or occupational excellence as well as the emotional maturity to undertake the course, or must currently be in an accelerated program or have demonstrated exceptional performance or capacity. Students may be dismissed during their senior year in order to take higher education courses if leaving does not interfere with the completion of requirements of graduation. **Students will not be released for higher education classes during the school day if that class is offered at WHS.** A student must be in attendance at WHS in order to attend a college class on that day. Juniors will not be dismissed during the school day, but may sign up for an evening course if otherwise meeting the guidelines. **Higher educational courses taken will not count toward graduation at WHS.**

AUDITING CLASS

Juniors and Seniors have the opportunity to audit one class per semester with the express purpose of learning the subject matter without grade apprehension. Audit classes are graded Pass/Fail, that grade will be entered onto his/her report card as either P or F. If a student chooses to audit a class, he/she must complete all homework and necessary tests or quizzes; the student will receive graduation credit, but the class will not affect GPA. Since the purpose of auditing class is to gain knowledge in that subject, students will be expected to maintain a passing grade. Intent to audit a class must be submitted to the guidance counselor during the first week (or final schedule change deadline) of the semester, and may be granted upon the discretion of the guidance counselor, teacher, and principal. Auditing a class for the purpose of improving and/or maintaining a grade point average will NOT be permitted. Failure to do so will result in being removed from class with a grade of 'F' and placed in another educational setting.

II. Rules and Regulations

THE RESPONSIBILITIES OF STUDENTS

Students, as citizens of the U.S., are guaranteed certain individual rights and have corresponding individual responsibilities. Parents, teachers and administrators have a responsibility, indeed a duty, to protect the rights of students while maintaining an atmosphere conducive to the teaching and learning process. The concept of balancing the rights of the individual with the rights of society is valid in the educational community. There are certain special responsibilities required of a citizen who is a student in school:

1. To become informed of and adhere to reasonable rules and regulations established by the Board of Education and implemented by school administrators, teachers and support staff.
2. To respect the rights and individuality of other students, school administrators, teachers and support staff. Students have the responsibility of recognizing the rights and human dignity of others. For example, students must refrain from name-calling, fighting, harassment, belittling or engaging in deliberate attempts to embarrass or harm another.
3. To refrain from libelous, slanderous, or vulgar remarks in verbal and nonverbal expression.
4. To dress and groom in a manner that meets reasonable standards of health, cleanliness, and safety and is not disruptive to the educational process.
5. To be punctual, present for, and to participate in the regular or assigned school program.
6. To refrain from behavior that disrupts the educational process.
7. To attain and maintain the best possible level of academic achievement.
8. To respect the reasonable exercise of authority by school administrators, teachers and support staff in maintaining discipline in school and at school-sponsored activities. Students should not defy authority.
9. To respect and maintain school and private property in accordance with school rules.

PARENTAL RIGHT TO REVIEW GRADES

Parents/Guardians of Winchester High School students have the right to review their child's grades via the online grading system (INOW). To sign up for an INOW account to view your child's grades, please contact the high school office.

THE RESPONSIBILITIES OF PARENTS/GUARDIANS

The following is a list for parents/guardians of ways in which they can make their daughter or son more successful at school:

1. IF YOUR STUDENT IS ABSENT AND CANNOT ATTEND SCHOOL, CALL SCHOOL BEFORE 9:00 A.M. AT 742-3151 extension #202.
2. At the beginning of the year, make sure your student has all necessary school supplies and that all physicals and immunizations are complete. A physical is required for all incoming freshmen and out-of-state transfer students.
3. Notify the school of any changes in address, contact or emergency contact information.
4. Know your student's class schedule.
5. Know your student's teachers and do not hesitate to contact them. When a question arises regarding any class, the first contact should be with that teacher.
6. Take an interest in your student's academic progress and discuss it frequently with them.
7. Know when progress reports (mid-semester) and report cards (end of semester) are due and discuss them with your student.
8. Encourage the involvement of your student in extracurricular activities
9. See that your student is on time to school.
10. Keep track of your student's absences, and do not allow them to frequently miss school. Also, inform the office if your student has any chronic illnesses.
11. Provide a quiet, well-lit and suitable setting at home for doing homework at a pre-established time.
12. Support your student through your attendance at open houses, parent-teacher conferences, student performances, awards ceremonies, and school support organizations.
13. Set the example. If you value school, show it by your actions.
14. If a concern should arise about a school policy or occurrence, the following procedure should be followed in order to resolve the problem as quickly as possible:
 - a. Contact the person who is the source of the concern to discuss the issues.
 - b. If the problem still exists, contact the principal.
 - c. If the problem is still unresolved, contact the superintendent.
 - d. Finally, if the problem still exists, ask the superintendent to place the complaint on the following month's Board of Education agenda for further discussion.

ATTENDANCE STATEMENT

"Every child between the ages of seven and seventeen years of age will attend public school, or a private school, for a period of not less nine months during any school year. No child will be required to attend a public school more than ten months." (Illinois School Code) Any student who has missed 10 consecutive days unexcused may be dropped for non-attendance. If the student is under seventeen (17) alternative educational placements will be recommended. "The Principal will have ultimate discretion on the following based on circumstances."

EXCUSED ABSENCES

Excused absences will be granted for the following situations as well as those emergencies that the principal may feel is beyond the student's control.

1. Student illness- with a note signed by the parent or legal guardian.
2. Death in the family- with a note signed by the parent or legal guardian.
3. Doctor's appointment – only upon presentation of verification from the doctor. (an appointment card, bill or receipt)
4. Court appearance – Upon verification (anything with a court date on the document)
5. Religious holiday (written proof of religion must be presented in the office)
6. Prearranged – any other type of absence, not covered by the above will require a pre-arrangement between parents, student, faculty, and administration. A prearranged form should be secured from the office, properly signed and returned to the office for the principal's approval and signature **48** hours in advance of the absence for approval. Students are expected to have all assignments completed upon returning to school unless other arrangements were made prior to the absence with the teachers. **For an excused absence 75% of the student's teachers must approve, if less than 75% grant approval** the principal will inform the student and parents that the absence will be unexcused. Students absent all day by pre-arrangement may participate in extracurricular events after school, with administrative approval. **Freshmen and sophomores are allowed two (2) prearranged absence per school year not to exceed 3 days total. Juniors and seniors are allowed three (3) prearranged absences per school year.** Any pre-arranged for a college visit must have the counselor's signature. Field trips and items 1-5 do not count towards the total allowable pre-arranged absences. It is recognized that all requests for prearranged absences are different. Therefore, the principal reserves the right to classify a prearranged absence as excused, as unexcused, and/or as a truancy, depending on the nature of the request, the academic record of the student, and the student's attendance record.

UNEXCUSED ABSENCES

An unexcused absence is one, which the parent is aware of and supports, but does not meet the school guidelines for being excused. For an unexcused absence students cannot make up assignments or tests.

TRUANT ABSENCES

A student is truant when absent from class without school permission and/or without parental knowledge. Truant students will be placed at the appropriate level on the truancy policy (see below). Like unexcused absences, truant students may not make up work missed when truant. The truancy policy applies to all students regardless of age. The State of Illinois defines a chronic truant as a child who is absent without valid cause for 5% out of 180 consecutive days. Students under the age of 17 in this category will be reported to the county truant officer.

STEPS TAKEN FOR TRUANCY:

Step I. A student who receives his/her first truancy letter will be given a two-hour Saturday detention. Parents will be sent a letter to notify them of their child's truancy.

Step II. A student who receives his/her second truancy letter will be given a four-hour Saturday detention. Parents will be notified.

Step III. A student who receives his/her third truancy letter student will receive two four-hour Saturday detentions. The student's parents or legal guardian will be required to meet with the principal.

Step IV. If a student receives additional truantries the police will be notified and a home visit will occur.

Step V. If the problem continues the situation will be referred to the states attorney's office.

REPORTING ABSENCES

Parents are responsible for calling the school before 9:00 a.m. if their student is absent. Winchester High School - 742-3151 extension 202. Absences can also be reported through an email feature on the school website.

EXCESSIVE ABSENCES PROCEDURES

In order to avoid a buildup of excessive absences:

- a. Before 7 days absent during the school year, a letter will be sent to the parents.
- b. After 10 days of absence (**without doctor's excuses**), a parent conference may be requested. That 10-day count will not include days covered with doctor's excuses. All future absences due to illness will be considered unexcused unless covered by a medical excuse signed by a doctor. Parents are encouraged to spread out appointments so students do not continually miss the same class.

We ask that the parent or guardian do the following regarding absences:

1. In case of illness, or death in the family, please call the school office that morning to report the absence. If the parents do not call, the school will attempt to reach a parent at home or work. Upon return a note, signed by a parent, is required for the student to be readmitted and receive an excused absence.
2. To be considered a doctor visit, the student must go to the doctor's office. Doctor notes will be accepted for office visits only. If the student is not seen by the doctor and a doctor's note is presented to the Attendance Secretary at WHS, the note will not be accepted.

RETURNING AFTER AN ABSENCE

Students who are absent the previous day must report directly to the office before the beginning of school in order to be readmitted. Parental or physician note to explain the absence must be presented at the time of the student's return. Students receive one day's grace period when returning from absences to bring a note. On the second day without a note, the student is marked unexcused and receives no credit for work done during the absence(s). Students will receive one day for each day absent to make up their work. **Make-up work is the student's responsibility.**

RETURNING WHEN SCHOOL IS IN SESSION

Students are to report directly to the office, sign the sign-in sheet, and present the verification of the absence to determine if an excused or unexcused absence or tardy will be issued. The student will be issued a pass and is to report immediately to the proper classroom.

LEAVING SCHOOL

Written or verbal permission must be obtained from the student's parent or legal guardian before leaving school. Students must report to the office and receive permission from the administration to sign out. If a student becomes ill, a parent, legal guardian or authorized emergency contact person will be contacted by phone. Students are responsible for asking for assignments, which need to be made up. **Students will receive one day for each day absent to make-up their work.**

TRANSPORTATION RULES

1. Students must obey the driver at all times.
2. Do not leave your seat while bus/vehicle is in motion.
3. Keep hands and head inside the vehicle. Do not throw anything out the windows.
4. No loud talking, laughing or unnecessary commotion.
5. Be absolutely QUIET at railroad crossing stops.
6. Respect all bus/vehicle property. Students and/or parents will be charged for any repairs or replacement caused by intentional misuse based on the recommendation of the transportation director.
7. No eating or drinking is allowed in the vehicle unless prior arrangements have been made with administration.
8. No animals allowed in district vehicles.
9. No unauthorized stops for pickup or drop off.
10. No name-calling, vulgar language or spitting.
11. No unauthorized use of the FM radios.
12. **Guest riders are not allowed.**

THESE TRANSPORTATION RULES APPLY TO ALL SCHOOL AND EXTRACURRICULAR ACTIVITIES! FAILURE TO OBSERVE THESE RULES MAY RESULT IN LOSS OF TRANSPORTATION PRIVILEGES.

VIOLATION OF TRANSPORTATION RULES

While students are on the bus, they are under the supervision of the bus driver. It is hoped the bus driver can handle most bus discipline problems. Any flagrant infractions of these rules reported by the bus driver will be handled similarly to a classroom situation. Riding the school bus is a privilege. If this privilege is abused, the student will be removed from the bus. Student bus problems will be handled by the building principal.

FIELD TRIPS

During the school year teachers or organization sponsors may take their classes or groups on trips that relate to the material being studied.

To be eligible for field trips:

1. All field trips will be self-funded.
2. Must be present in school the previous school day unless otherwise approved by administration.
3. Must be eligible (grades) to attend. Eligibility determination will be made every Friday.
4. If the student is not eligible to attend, an alternate assignment will be provided for full credit.
5. **Students are to turn in assignments due the day of the trip prior to leaving or a letter grade deduction will result.**
6. **Assignments due the day after the field trip are due at that time; the field trip does not allow an extra day to complete assignments.**
7. Since the field trip is an extension of the school day, all school rules are to be followed. Appropriate discipline will be administered for breaking rules. If police are involved, parents will be notified and be responsible for any fines/bail that may result. The student will be left in police custody and it will be the parent's responsibility to drive to the police station to gain custody of their child(ren).

ATTENDANCE AND PARTICIPATION

Students must attend school a full day in order to participate in after-school activities unless otherwise excused by the principal. Any student that arrives late to school (10 minutes after his/her first class) will not be allowed to participate in after-school activities (this includes CEO and Early-Bird Classes). Likewise, students in work programs who miss school in the morning may not go to school-related jobs later in the day unless otherwise excused by the principal.

Any student not participating in Physical Education class will not be allowed to participate in practice or games that evening.

DRIVER'S EDUCATION:

A student compiling a failing semester average in 1 or more classes in the proceeding semester will not be able to enroll in the Driver's Education course for the following semester. Also, a student currently completing driving hours will not be able to drive the following week if they are on the eligibility list for failing two or more classes. Any student that misses five classroom hours will be dis-enrolled from the Driver's Education Program.

TARDINESS POLICIES

The following policy and procedures will be used in dealing with those students who fail to arrive to school or classes on time and receive an unexcused tardy. Discipline is given every 4th tardy throughout the semester. Students are allowed a "clean slate" at the beginning of each semester. Definition of a tardy is as follows:

Tardy - Being late to school (up to 10 minutes) or a class period after the tardy bell without a valid excuse constitutes a tardy. Being late after the 10 minutes constitutes truancy.

Steps taken for tardiness:

Step I - 30 minute detention.

Step II – 1 hour detention.

Step III – 2 hour detention.

Step IV – In-School Suspension

Step V – Saturday Detention

Step VI - Continued offenses will be at the discretion of the Principal. The truancy officer will be notified.

VISITOR POLICY

All visitors, parents/guardians/relatives are required to check in at the main office upon arriving at school. Unless, it is an emergency, visitors will not be allowed to meet with students or staff without permission of school administration. Visitors will be issued a pass, which is to be worn during their visit.

III. METHODS OF DISCIPLINE

OFFICE VISIT POLICY

Students who find themselves being referred to the office concerning various school related disciplinary problems in and/or out of the classroom, including school bus behavior will be handled, if not immediately given restriction or suspension, at the discretion of the principal and the parents/guardians will be notified. The Office Visit Policy in no way acts to supersede the out-of-school suspension of Winchester CUSD #1 students for gross violations of school rules as outlined elsewhere in the Student-Parent Handbook.

NOON HOUR DETENTION/AFTER SCHOOL DETENTION

Noon hour and after school detentions may be used as disciplinary tools of the district. Transportation home for after school detentions will be the responsibility of the parent.

IN-SCHOOL SUSPENSION

Students may be assigned in-school detentions to be served during the school day. Breaks will be limited and lunch will be eaten in the suspension room. Students should bring their lunch or they will be allowed to use the vending machines or order school lunch.

10) Students that do not comply with the in-school suspension rules will be subject to further discipline.

SATURDAY DETENTION –

Saturday detention may be served from 8:00 a.m. - 12:00 p.m.

ANY VIOLATION AFTER THE SECOND VIOLATION, ANY TIME DURING THE STUDENT'S HIGH SCHOOL CAREER, WILL BE BANNED FROM ALL EXTRACURRICULAR PARTICIPATION FOR A PERIOD OF ONE CALENDAR YEAR.**

In order to participate in practice or an extracurricular event, a student must be **in attendance at school for the full day**. (refer to page 8). Exceptions (pre-arranged absences, field trips, funerals, doctor appointments, etc.) will require the approval of the principal. If the activity is held on a non-school day, the coach/sponsor shall determine participation within the intent of the guidelines.

Students who received an out-of-school suspension for one or more school days due to a violation of regular school rules shall be unable to participate in extracurricular activities (practices and games) on the same day they are suspended. Student participation in extracurricular activities may also be limited or denied due to the violation of the rules herein or the individual team or activity rules as noted by the coach/sponsor or administrator, and approved by the Board of Education. All acts of insubordination, disruptive behavior, vandalism, malicious mischief, misuse of transportation privileges, or breaking the general training rules as outlined herein or in the activity rules may result in dismissal from the organization or team, or loss of privileges, or other disciplinary action as may be recommended by the coach, sponsor or administrator.

GENERAL REGULATIONS

Illinois High School Association rules must be followed in all cases of eligibility, transfer, physical examinations and insurance coverage. No student is to practice or play without their physical and insurance form or waiver on file. **Students must travel to and from contests away from Winchester or Bluffs High School on transportation provided by the school.**

The only exceptions are:

Injury to a participant, which requires alternative transportation.

Arrangements are made in person by the parent/guardian to the coach/sponsor of the activity. A signature from the parent/guardian shall accompany the verbal request.

Completion of the event season is required in order for the student to be eligible for any team or individual awards. Seniors will be awarded a senior plaque in place of individual letters. Seniors who participate in a sport/activity in their senior year will be eligible to receive a senior plaque during Senior Awards Breakfast. No awards shall be given to any student suspended for the remainder of the season for Extracurricular Code Violations.

A student who has not turned in uniforms/equipment or monies owed to coach/sponsor for one extracurricular activity will not be eligible to participate in another activity.

IMPEACHMENT RULE

The principal may, if the sponsor is in agreement, impeach or remove any extracurricular officer or team captain from office. Reasons for such action will include, but not be limited to: failure to carry out the responsibilities for which the student was elected, misconduct in or out of school which is unbecoming of an officer and/or student, and/or involvement with alcohol or illegal substances such that the student has been banned from future participation.

STUDENT PARTICIPATION IN CONFLICTING SCHOOL EVENTS

If students are scheduled to participate in two school activities whose times overlap or conflict, the teachers, coaches or sponsors involved should cooperate so that the students may participate in both events. If this is not possible, the following guidelines will determine in which event they should participate. A class related activity (for example a field trip, choir performance, science fair, etc.) would take precedence over an extracurricular practice or performance. A performance, contest or game takes precedence over a practice or rehearsal. If two performances (contest or games) or two practices (or rehearsals) are in conflict, the students involved may choose which he/she wants to attend. The student will do so without penalty as long as he/she informs both teachers (coaches, sponsors) of his/her choice. Failure to do so will result in the same consequences for the student as for failure to show up. If there are continual schedule conflicts between two activities, all parties will schedule a meeting with the administration.

OPEN RECORDS ACT

Scott County Community Unit School District No. 1 is governed by rules and regulations of the Illinois Student Record Act of 1985. The complete set of regulations is on file in the district superintendent's office. The school maintains two types of records about each student:

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA) affords parents/guardians and students certain rights, including the right to inspect, copy and challenge school records. Disclosure of student information may only be provided to individuals who have legitimate education interest in the student's educational record in order to fulfill his or her professional responsibility

without parent consent. The Act also provides you with the right to seek the correction of student records that you believe are inaccurate. Further questions about these rights may be directed to the principal.

PERMANENT RECORDS - The law requires that permanent records contain basic identifying information, the academic transcript, an attendance record, accident reports and health record, and a record of the release of this permanent record information.

TEMPORARY RECORDS - The student's temporary record consists of all information not required to be in the student permanent record including family background information, test scores, psychological evaluations, special education files, teachers' anecdotal records, disciplinary information, any verified reports or information from non-educational persons, agencies or organizations and records of release of temporary record information. Parents and students have the right to inspect and obtain unofficial copies of the permanent and temporary records. Parents and students exercise control over access to the release of student records. Professional employees of the school have access to school records for legitimate educational interests. Parents have the right to challenge the contents of their student's records, except for grades, on the basis of accuracy, relevancy or propriety. Special Education student's records will be disposed of 5 years after the student graduates or turns 21 unless parents or students request them. All rights and privileges accorded to a parent under this act become exclusively those of the student upon his/her 18th birthday, graduation from secondary school, marriage or entry into military service

EMERGENCY PROCEDURES

Fire and Disaster Drills

Fire drills are conducted from time to time in accordance with state and local safety regulations. Each room in the building has an evacuation plan on which are stated the fire drill and disaster regulations for that room. Students are to be familiar with these directions so that the evacuation of the building will be prompt and orderly. The following are to be observed:

1. Move from the classroom in an orderly fashion according to the directions given for that particular classroom.
2. Movement should be rapid without running.
3. Students are to remain quiet.
4. Everyone leaves the building.

Re-entry into the building is made when the administration gives the all clear. Re-entry should also be orderly and prompt.

EMERGENCY PROCEDURES (FIRE & TORNADO)

FIRE ALARM SOUND-All teacher/staff will leave the building with their classes by the most direct route and according to the building evacuation plans posted in each room. Windows should be shut and lights should be turned off. Students should be instructed to move quickly and quietly outside, at least 100 feet from the building. Teachers must take attendance and notify the principal immediately if a student is missing. NO ONE should re-enter the building for any reason until the all-clear signal is given by the administration.

TORNADO ALARM--The tornado alarm is a series of three or more short rings of the school bells. As the alarm sounds, teachers should take their classes from the third floor to the first floor hallway. Second floor occupants should move to the first floor (between art room and custodian's room and the stairwell to the old gym). First floor occupants should move to the gym and sit along the north wall. Band room and Home Ec room occupants move to the east band room. All occupants should be sitting away from windows and entrances. All students in the vocational building should use the center hallway in the vocational building. Students will assume a crouching position toward the wall and with their heads protected. An all-clear signal will be given by the administration.

Individual buildings will have tornado, fire and emergency procedures posted. Teachers and administrators will go over the procedures in the individual buildings.

CRISIS MANAGEMENT

In the event of a crisis situation the school district has a crisis management plan, located in each classroom, to ensure the safety of students, faculty and staff. To help us create the safest possible environment we ask the following of parents/guardians.

1. Refrain from calling school, we need phone lines available to make emergency calls.
2. Refrain from driving to school as this would congest traffic and impede the progress of emergency vehicles.
3. Be patient in waiting for the release of students. Students will not be released from school until the school feels it is safe and appropriate. This enables the school to account for the whereabouts of all students.

SCHOOL CLOSINGS

School closings for emergencies such as inclement weather or a physical plant problem, may be ordered by the superintendent. If school is in session and any emergency causes, early dismissal of students, announcements will be broadcast on the Jacksonville radio stations and the School Messenger system will call each household. All-day school closings due to excessive snow or ice will be announced on the Jacksonville radio stations no later than 7:00 am.
