

PLEASE GIVE THIS A TRY!!!!
Regional Media Center R.O.E. #46
September 2011

Great News the Regional Media Center has subscribed to a research website for our four county Elementary Schools! This is a safe website for students in K-9 grades. You will find articles, books, biographies, stories, games, activities, colorful pictures and maps. Students and parents are also welcome to use the passwords and logins, making it a great homework tool!

The information for the SIRS website has arrived. Please make copies to share with administrators, teachers, and students!
