**Winchester School District #1
Winchester Grade School**

Mr. Andy Stumpf, Principal

**283 South Elm St.
Winchester, IL 62694**

Dear Parents/Guardians,

The State of Illinois has certain requirements that **must** be met in order for your Kindergarten student to attend school. Please have these exams/documents completed and ready for registration or by the first day of school. If he or she is not in compliance by October 15th, your child can no longer attend school until the requirements are met.

Physical Exam:

1. The 2015 version of the **Certificate of Child Health Examination** form must be completed. We cannot accept any other form.
2. Parents are required to complete, sign, and date the Health History section of the physical.
3. On the Physical Exam Requirements physician's portion of the form, the Height, Weight, BMI, B/P, Diabetes Screening, and LEAD Screening portions must be completed, along with the rest of the physical.

Immunization requirements:

1. Proof of Polio, DTaP, HIB, Hep B, MMR, Varicella (Chicken Pox), and Pneumococcal vaccines are needed.
2. The Immunization form must be signed and dated by a physician.
3. If your child has had Chicken Pox, written documentation from provider is needed.
4. If your child is not vaccinated, a medical/religious form must be completed.

Lead screening:

All students under the age of 6 entering school for the first time must have 1 lead screening. This means the Lead Questionnaire must be completed **AND** since we live in a high risk zip code, our students **MUST** have the lead screening performed (which usually consists of a finger stick). We will need the results of that finger stick. If your child had a lead screening at an earlier age, we would need the results of that screening. Make sure it is signed and dated by a healthcare professional.

Birth Certificate:

Our school district requires a copy of the certified birth certificate for each student.

Eye examination:

An eye examination is required to be done by a licensed optometrist on the **Illinois Eye Examination Report Form**.

Dental examination:

A dental examination is required for all students entering kindergarten and completed on the **Proof of School Dental Examination Form**. MAKE APPOINTMENTS EARLY. **This is due by May 15, 2020.**

If any questions, please contact me at the school 742-9551 Ext. 302.

Thank you,

Krysta Coon RN, BSN
School Nurse
