Community Eligibility Provision Notification

Dear Parent or Guardian:

We are pleased to inform you that Winchester CUSD #1 will be implementing a new option available to schools participating in the National School Lunch and School Breakfast Programs called the Community Eligibility Provision (CEP) for the current school year.

What does this mean for you and your children attending Winchester Schools?

Great news for you and your students! All enrolled students of Winchester CUSD #1 are eligible to receive a healthy breakfast and lunch at school at **no charge**. No further action is required of you. Your student(s) will be able to participate in the meal programs without having to pay a fee or submit an application.

This provision allows each student to receive a qualified, healthy breakfast and lunch each day. If a student would like seconds on breakfast or lunch they may purchase those items for a small cost. Students will be required to have funds in their account to purchase extras. If you have any questions concerning this feel free to contact us.

If you have any questions, please contact us at 217-742-3715.

Sincerely,

Kevin Blankenship
