

What is your top priority when thinking about a building project?

The budget

saftey

bigger lunch room

Clean and larger rooms

so the hallways and classrooms do not hold in the stench like they do now

better food

the education

education and physical environment. better everything

What is your top priority when thinking about a building project?

A actual gym

That it doesn't look like a prison like the ones we were showed

girl lockerroom

how much it will cost the community

Better athletic facilities

Clean and safe environment

school not falling over when windy

health, having a lunch room, clean,

What is your top priority when thinking about a building project?

Having more room for clubs, and fine arts like band.

air quality

bigger lunch room

LONGER LUNCH

The lift

Bathroom

no mold on the school lunch

quick and efficient

What is your top priority when thinking about a building project?

having a better cafeteria

The convenience of one floor

Rags to Riches

Air Conditioning

Bigger lockers

disability friendly

better learning environment

better smells

What is your top priority when thinking about a building project?

Better band room

I know where everything is

What are the things you like about building?

auditorium

literally nothing

Better teachers

the locker incentives for seniors

Lunch in the hallways

Nothing

NOTHING

the prometheans are about it

What are the things you like about building?

status

it has character

zip zero

Locker room not flooding
when it rains

nothing

The community aspects
between students and
staff.

[putting things together

The character

What are the things you like about building?

That it has character and it doesn't feel like a prison like other schools

unique character

the heat works

Absolutely nothing

O block

The way the classrooms are arranged and the current athletic facilities besides the gymnasium

the boilers def work

character

What are the things you like about building?

I don't know

the wood shop

teachers

It's easy to navigate, you couldn't get lost if you tried, avoiding the back pack room at all costs

it has memories

we are okay at sports

auditorium

it has character

What are the things you like about building?

the pritchett building

the family of roaches

everything

the stairs,

Bathrooms

its stinky and not clean
and musty

The boys locker room

roaches and rats

What are the things you like about building?

People

the heating

locker rooms

the three flights of stairs

The bathrooms

ceiling tiles falling in the gym

PEOPLE

everything

What are the things you like about building?

The cracks, the unsettling hue
the lights give, locker rooms,
showers,

The classrooms are old and
out dated, as well as the entire
building

not many
accommodations for kids
with disabilities

mold, backapck room, the
gyymm, no lunch room, small
lockers that fit nothing, air
quality

locker rooms, heating and air,
gym, lunchroom, bathrooms,
classrooms, auditorium,
everything is so divided

Good bathrooms

accommodations for kids
with disabilities

walls

What are the things you like about building?

better heating

accessibility to others, a lunch room, natral light, bigger lockers, more seating areas

a big lunch room and a good locker room and a good gym

bigger lunch room better science rooms better library

heating, stall doors

actual bus drivers

New Doors

bus drivers that are not teachers

What are the things you like about building?

more sweets

sweets

construct new building

What are the things you like about building?

What are the things you like about building?

What are the things you like about building?

What do you not like about the building?

Locker rooms

1st floor

the gym

The bathrooms

the stairs

classrooms

the air is thick

the gym

What do you not like about the building?

everything

lighting

the commons

locker rooms

the heating

the bathroom

lunch room

freedom

What do you not like about the building?

roaches and rats

the musty dusty crusty rusty way this building holds every smell from the past week

Cancer filled walls

The cleanliness of the building

The lunch room getting busy

smell

the mold on the gym floor

bugs

What do you not like about the building?

Its stinky, the floors are dirty, and it holds people's smell

only has air in classrooms

How fast the school gets dirty, the gym and musty classrooms

the gym

How accesible everything is like the shops be closer to the building the fact that band has to share the commons

the stairs

roaches on the stairs.

heating

What do you not like about the building?

cleanliness

Bigger lunch room

Better text books

the newer facilities

Phones

Better technology classes

better chairs and desks
and a gym

more windows and better
air venting systems

What do you not like about the building?

no tardys

better classrooms

a better gym, a working lift,
better air circulation, central
heating and air. more
bathrooms

lockers that close

To have the school in
Winchester

no tardys

no tardys

Better air vent systems

What do you not like about the building?

What do you not like about the building?

List things you would like to see in your school building.

natural lighting

New walls, newer furniture
in classrooms

bigger hallways and
commons

Better technology, open
concept, and larger
rooms

a good gym

new gym and central
heating and cooling

better learning
enviroment

better desks
